Estimated area to be aerially sprayed in 2012      acres      hectares

This estimation is without obligation on your part. It is merely to assist us in determining how much bulk Asulox we need to purchase in advance for aerial application.

I would like to order      20 ltr drums of Asulox @ 226.50 + VAT

I would like to order      5 ltr drums of Asulox @ 59.60 + VAT

These will be invoiced in 2011 for payment and delivery in July 2012. Delivery to UK mainland only, please call for delivery quotations to the islands and for quantity discounts. All Asulox must be used or disposed of by 31/12/2012.
